[1967, Berlin/Shanghai]

Matthias, resident of Shanghai, China, is pinhole photographer since 1996. He displayed his works in Germany, France, Spain, Poland, US, China and Australia, is editor of the annual Boxocam Camera Obscura Calendar since 2004 and member of Galerie en passant Berlin, Germany. His experimental pinhole cameras range from small size Coke Cans, Shoe-box-sized Tins, Fridges and Camerickshaw tricycle up to complete rooms. Beside of pinhole photography, he creates experimental works with simple lens cameras from mid 20th century and any kind of optical tools.
